

Nurse Anesthesia Compliance Table

Compliance Measure	Reporting Entity	Comments
Immunizations	U-Phys	<p>Link to Instruction for Completing the Healthcare Student Immunization Record: http://uphys.msu.edu/files/attachment/15/original/StudentImmuneForm2012CCC.pdf</p> <p>Link to view your Completed Healthcare Student Immunization Record: http://uphysapps.msu.edu/. General UPhys e-mail: uphys@hc.msu.edu</p>
Bloodborne Pathogen Awareness	Student Support Services	<p>Bloodborne pathogen training occurs through a university system called SABA. (BBP Accessible here). When you log in a box appears with the required training. Once completed, the course moves under the “my training” tab. Here you can print copies of certificates of completion. Send a copy of your certificate of completion to Robert Crawley: crawleyr@msu.edu</p>
HIPAA Training	Student Support Services	<p>HIPAA annual training is also offered through SABA. The course should be listed on the Home page when you log in. If not, you can click Find Training and search for HIPAA to find the course. Complete the training and print a copy of your certificate of completion. Please send a copy of the certificate of completion to Robert Crawley: crawleyr@msu.edu</p>
ACLS, PALS, BLS, Nursing License	Student Support Services (Robert Crawley) & Stefanie Luna (Nurse Anesthesia Program)	<p>Please provide copies of your updated ACLS, PALS, BLS and Nursing License to Robert Crawley: crawleyr@msu.edu</p> <p>Additionally, please provide copies to Stefanie Luna (NA program): Stefanie.Luna@hc.msu.edu. Stefanie will update your Typhon profile information</p>
Proof of Health Insurance	Student Support Services	<p>Scan or take a clear picture of your insurance card and e-mail to Robert Crawley: crawleyr@msu.edu</p>
Criminal Background Checks and Drug Screens	CastleBranch (888-723-4263)	<p>Background Check and Drug Screen are processed through CastleBranch. (Masters Programs, IC60). Results are sent to the College of Nursing, Office of Student Support Services and will be kept confidential. The Director will review results and cross reference with information disclosed at the time of application.</p>
