PRIMARY CARE MANAGEMENT OF THE FAMILY II
NUR 823
Section 741 & 747
3 Credits
Hybrid Class
Fall 2012

Catalog Course Description: Principles and issues of health care management for family advanced practice nurses in primary care. Health care management of clients across the life span with chronic, stable and/or multiple complex problems. Integration and synthesis of relevant frameworks.

Additional Course Description: The second health care management course will focus on the principles and issues relevant to Advanced Practice Nurses in Primary Care. Emphasis will be placed on health care management of patients/clients across the life span with stable chronic and/or multiple complex problems utilizing clinical relevant research and evidence-based guidelines. Integration and synthesis of family frameworks/theories/models within the plan of care will be emphasized.

Course Objectives: At the end of this course, students will:
1. Analyze patient data in development of diagnoses and management plans for chronic conditions in primary care.
2. Evaluate health system related factors that impact advance practice.
3. Apply relevant family conceptual and theoretical frameworks to guide interventions in the management of chronic conditions.
4. Analyze the impact an individual's ethnicity, culture, lifestyle, and spirituality have in development of chronic condition management plans.

Prerequisites: NUR 815 and NUR 821

Co-requisites: None

Professional Standards & Guidelines: The curriculum is guided by the following documents:

Faculty: Kathy Dontje, PhD, FNP-BC
Contact Information: 517-432-0023, dontje@msu.edu
Office Hours: Thursdays – arranged
Note: Times can be arranged to accommodate student schedules.

Faculty: Kara Schrader, MSN, RN, NP-C
Contact Information: kara.schrader@hc.msu.edu
Office Hours: please e-mail to make an appointment
Note: Times can be arranged to accommodate student schedules.

Faculty: Linda Keilman, DNP, GNP-BC
Contact Information: 517-355-3365, keilman@msu.edu
Office Hours: please e-mail to make an appointment
Note: Times can be arranged to accommodate student schedules.

Instruction:

a. Methodology: This course is taught in a Hybrid format, with the majority of the content being online. As adult learners, it is expected that students will do relevant reading and study prior to class on the topic areas identified and be prepared to participate in online/on-campus activities each week. Faculty directed readings and web links may be provided for specific content areas. It is expected that students will search the literature and suggest/share relevant findings with faculty and classmates. On-line activities include discussion board participation, quizzes and or case-studies that cover the content area for each week. Students are expected to be active participants in the classroom and Angel (utilizing MSU e-mail accounts).

b. Required Texts:
Previously text that will be utilized

c. E-text (this will be provided to students free of charge related to a university pilot program more information available the first day of class)

Optional Text:

d. Required Resources, References, Supplies:

ANGEL Help Line
1.800.500.1554 (24 hrs, 7 days/week)
517.355.2345 (24 hrs, 7 days/week)
www.angel.msu.edu (ANGEL Help link in upper right corner)
Always check with the ANGEL Help Line first!

Additional materials will be available on the Angel site.
Evaluation:

a. Learning Assessments and Grading:
Point Determination Will Be As Follows:

<table>
<thead>
<tr>
<th>Activity</th>
<th>Points</th>
<th>Number</th>
<th>Totals</th>
</tr>
</thead>
<tbody>
<tr>
<td>Quiz/Assignments</td>
<td>10</td>
<td>5</td>
<td>50</td>
</tr>
<tr>
<td>Midterm Examination</td>
<td>50</td>
<td>1</td>
<td>50</td>
</tr>
<tr>
<td>Final Examination</td>
<td>100</td>
<td>1</td>
<td>100</td>
</tr>
<tr>
<td>Total</td>
<td></td>
<td></td>
<td>200</td>
</tr>
</tbody>
</table>

Progress will be discussed with each student individually as needed.

Quizzes/Assignments: There will be 5 online assignments over the semester, each being worth 10 points. More information will be provided in Angel. These may be quizzes or case studies.

Examinations: (midterm and final) will reflect evidence-based questions that require application of previously learned material. The Midterm exam will be conducted on Angel. Specific information re: the exam will be posted in Angel. The Final exam will be an on-campus exam.

On-Campus Lectures: Class attendance and participation is expected.

A grade of 3.0 must be achieved in order to pass NUR 823.

b. Course Grading Scale:

The MSU 4.0 grading system will be utilized to report final course grades.

Points will be rounded to whole numbers using the 0.5 rules. Points at $\geq 0.5$ will be rounded up while those $< 0.5$ will be rounded down to the nearest whole number.

There is no opportunity for “extra credit” in this course.

Class Attendance

Class attendance, in both on-campus and on-line classes, is considered the responsibility of the students and is an essential and intrinsic element of the academic process. A student’s absence from class does not relieve him/her from responsibility for punctual fulfillment of any course requirement such as a quiz, examination or written assignment, nor are instructors under any obligation to repeat a test, teaching or information given which was missed because of discretionary absence.
Communication Devices:

All communication devices, includes cell phones, lap-tops etc, are to be turned off during the entire course time. If you need to be reached for an emergency, you may give the College of Nursing main office number (800) 605-6424 and emergency messages will be delivered to you.

University & College Policies:

The College of Nursing expects that students will demonstrate professional behavior in all situations. Specific expectations for clinical and other professional venues can be found in the appropriate handbook. You are responsible for reviewing and acting in accordance with the policies and procedures found in the following sources, including the following topics: Professionalism, Academic Integrity, Accommodations for Students with Disabilities, Disruptive Behavior, Attendance, Compliance, and Progression.

- CON Student handbook [http://nursing.msu.edu/BSN%20Programs/Handbooks/default.htm](http://nursing.msu.edu/BSN%20Programs/Handbooks/default.htm)
- Information for Current Students— including Rights, Responsibilities and Regulations for Students [http://www.msu.edu/current/index.html](http://www.msu.edu/current/index.html)
- Academic Programs [http://www.reg.msu.edu/UCC/AcademicPrograms.asp](http://www.reg.msu.edu/UCC/AcademicPrograms.asp)

Academic Integrity:

Academic integrity is a minimal expectation of this course. *Academic dishonesty in any form will not be tolerated.* Any student involved in academic dishonesty will be reported to the Office of Academic Affairs and the Office of Student Affairs in the College of Nursing and a grade of 0.0 may be issued for the course.

Lectures, quizzes and examinations must remain the property of the College of Nursing and must not be copied from the Internet. According to university policy, consequences for academic dishonesty may include failure of the course, expulsion from the major, or expulsion from the university.

Online discussions and exercises are confidential and should not be discussed with others who are not enrolled in the class. It is important for each course participant to express his/her ideas. All ideas need to be respected in discussions and exercises. Any “group projects” that are required, still require individual work as a minimal expectation.

For further information you can access any of the following sites:

- Academic Integrity resource at MSU [https://www.msu.edu/unit/ombud/classroom-policies/index.html#attendance](https://www.msu.edu/unit/ombud/classroom-policies/index.html#attendance)
- Information for Current Students – including Rights, Responsibilities and Regulations for Graduate Students [http://www.msu.edu/current/index.html](http://www.msu.edu/current/index.html)
- International Studies and Programs [http://www.msu.edu/international/index.html](http://www.msu.edu/international/index.html)
Professional Development Guidelines:

Preparation for the professional practice of nursing requires more than the acquisition and application of knowledge. Therefore, in addition to the academic standards listed, the student must demonstrate:

1) Appropriate interpersonal relations and communication with clients, peers, faculty and other health care personnel;
2) Responsible fulfillment of class and practicum obligations, including provision of safe nursing care in the practicum setting; and
3) Honesty and integrity in all academic and professional matters.

These expectations are reflected in the Graduate (MSN) Clinical Performance Criteria for each clinical nursing course. Failure to meet each Professional Development Objective will result in the student earning a grade of 0.0 for the course.

Faculty reserve the right to dismiss a student from clinical areas if the student is too ill, unprepared, or deemed to be a risk to patient safety. Dismissal from clinical for any reason, excluding student illness, is deemed unexcused, thus carrying the requisite grade consequence as described in the course syllabus.
## NUR 823/37 Course Schedule

<table>
<thead>
<tr>
<th>Module</th>
<th>Dates</th>
<th>Topic - Management</th>
<th>Location</th>
<th>Assignment</th>
</tr>
</thead>
</table>
| 1      | August 29th – September 9th | Management of chronic conditions – obesity, hypertension and hyperlipidemia (on-campus)  
On-line: HIV, Hepatitis B, C Diagnostics  
Chronic abdominal conditions | On-campus 1-4pm  
August 30th | On-campus case studies          |
| 2      | September 10th – 23rd   | Dementia, delirium  
Post stroke care  
Tremors and Parkinson’s | On-campus  
September 20th 1-4pm | Quiz/Assignment         |
| 3      | September 24th – October 7th | Depression, anxiety,  
Headache,  
ADD | On-line |                          |
| 4      | October 8th – 14th     | Musculoskeletal conditions: arthritis,  
Chronic non-malignant pain issues | On-line | Quiz /Assignment         |
|       | Midterm                | Comprehensive of the first four modules | On-line on October 18th  
open from 8am to 10 am |                          |
| 5      | October 22nd – 28th    | Endocrine disorders – diabetes and thyroid disorders | On-campus October 25th  
1-4pm | Attendance on campus         |
| 6      | October 29th – November 11th | Cardiac disorders – HF, PVD, CAD | On-line | EHR activity with focus on metrics for chronic conditions |
| 7      | November 12th – November 25th | Chronic Pulmonary Disease – Asthma and COPD | On-line | Quiz/Assignment         |
| 8      | November 26th – December 9th | Pediatric and Adult Special Issues including end of life and palliative care | On-line | Quiz/Assignment         |
| Final  | December 10th – 16th   | Cumulative final exam | Final Exam December 13th on campus from 9-11am |                          |
